一、阅读短文,判断下列句子正(T)误(F)。

Changes are around us. Cavemen often ate raw meat. They didn't cook their food. They didn't do the dishes either. Now there are many things to help us cook. In 2050, there will be house robots. They will cook meals, clean rooms, and do the dishes. Before, there were many beautiful trees, and there were many clean rivers. Now, there are more and more buildings. The air and the rivers are not clean. We should help the earth now, so birds will have homes and the forests will be healthy and green again. Before humans lived on the earth, whales already lived in the sea. Now, there are not many whales. If we change now, whales and humans will have a bright future.

- ( ) 1. Cavemen often ate raw meat.
