词语听写

The image displays a grid of 20 empty 2x2 tables, organized into 4 rows and 5 columns. Each table is designed for a multiplication exercise, featuring a solid top row and a solid left column, with dashed lines for the remaining cells to indicate where the product should be written. The tables are arranged in a 4x5 grid, with the first three rows containing 5 tables each and the fourth row containing 4 tables.

优美词语

The image displays four identical horizontal rows of handwriting practice paper. Each row is composed of 14 equal-width rectangular columns. Within each column, there are three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement. The rows are stacked vertically with small gaps between them.

优美词语

The image displays four horizontal rows of handwriting practice paper. Each row is composed of 14 rectangular boxes. Within each box, there are two horizontal dashed lines: one near the top and one near the bottom, creating a central space for letter formation. The rows are separated by solid horizontal lines, providing a structured environment for practicing letter height and placement.

优美词语

The image displays four horizontal rows of handwriting practice paper. Each row is composed of 15 equal-width rectangular columns. A dashed horizontal line runs through the center of each column, creating a consistent guide for letter height across the entire row. The rows are stacked vertically with small gaps between them, providing a template for practicing letter formation and alignment.

优美词语

The image displays four horizontal rows of handwriting practice paper. Each row is composed of 14 rectangular boxes. Within each box, there are two horizontal dashed lines and one vertical dashed line, creating a grid for letter formation. The top row is the most prominent, while the subsequent three rows are slightly faded. The entire sheet is white with light gray dashed lines.

词语听写

A grid of 20 empty 2x2 tables arranged in 4 rows and 5 columns. Each table is designed for a math activity, featuring a solid outer border and dashed inner lines that divide the table into four quadrants. The tables are intended for students to write numbers and perform calculations.

The image shows a handwriting practice sheet with two rows of three 4x4 grids each. Each grid is defined by solid lines and contains dashed lines for letter height and width guidance. The grids are arranged in two horizontal rows, with three grids per row.

优美词语

The image displays four horizontal rows of handwriting practice paper. Each row is defined by a solid top line and a solid bottom line, with a dashed midline in between. Each row is divided into 15 equal-width rectangular boxes by vertical solid lines. The dashed midline runs horizontally through the center of each box, providing a guide for letter height and placement. The rows are stacked vertically, providing ample space for practicing letter formation and alignment.

优美词语

The image displays four horizontal rows of handwriting practice paper. Each row is defined by three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. These lines divide the page into a grid of rectangular boxes. Each box is further divided by a vertical dashed line, creating a series of small squares for individual letter practice. The rows are evenly spaced and extend across the width of the page.
